Who is the Client?

Whoever likes plain and modern designs.
I would like to work with clients who wants to
promote their products with a story.
I would like to listen their stories then ensuring consistent
high quality executing within the **brand's look, feel, voice and
business goals** by different marketing mediums
powered with my artistic skills.

Why My logo?

Circles symbolize the orbits, energy and cycles.
From the smallest ordinary matter "atom" and to largest
matter and energy "universe" has a round orbit.
My logo symbolize the pureless, modernity,
time, cycle, life and nature with my inital "e".

Why my Colors?

I have always liked the pastel natural colors with purity. I believe it matches with modern idea. These colors elevate my works and encourage my style.
